About Us

Nelson Mandela University is the only university in the world that carries the name of Nelson Rolihlahla Mandela. The University embraces Nelson Mandela's challenge to be "caring, responsible and innovative", and recognises the importance of continuously growing and adapting in the pursuit of knowledge and lifelong learning.

We offer both general and professionally oriented university qualifications, as well as technologically and career oriented programmes. The success of our career-focused programmes lies in the hands-on involvement of industry and business. Undergraduate programmes include: higher certificates, diplomas and first degrees, i.e. bachelor's degrees. All diplomas and some degree programmes are career-focused, while others are more general and allow students to tailor their interests, aptitudes and career plans.

Applying to Nelson Mandela University

- Your application for early admission should be submitted before the August closing date. Late applications will however only be considered after this date, based on academic merit, until the September closing date. Places for some qualifications are limited and it is therefore in your best interest to
- MBChB and Bachelor or Radiography (Diagnostic) qualifications close earlier than the dates listed above. Applicants need to consult the student access & Orientation percentage is not included as it is a 10-credit subject). This enrolment office, website, or faculty to determine annual closing dates. No gives a score out of 600 late applications will be considered after the published closing date.
- Prospective students must meet the minimum statutory entry requirements based on the National Senior Certificate (NSC) or equivalent schoolleaving certificate for admission to a higher certificate, diploma or degree qualification, in order to be considered.
- Submission of a completed application form does not mean that you have been accepted as a student, or that you may register. All prospective students are selected in accordance with the admissions policy of the university, and applicants will be notified of the outcome by the Student
- Access & Enrolment Office. Provisional admission is based on your Applicant Score (AS) obtained in your Grade 11 final, or Grade 12 June/September examinations. However, the final decision is based on your final Grade 12 exam results.
- In addition to the general university admission requirements, each programme also has its own specific requirements.
- If a programme is full, you may be denied admission even though you meet Applicants with international or foreign qualifications must satisfy the
- requirements laid down by the Matriculation Board to qualify for a certificate of exemption for a particular international or foreign school leaving qualification (refer to table overleaf).
- In the case of applications by candidates who have studied at other higher education institutions accredited by the South African Qualifications Authority (SAQA), the results obtained at such institutions will be

considered, together with their academic record and certificate of conduct.

How Do I Apply

- Applicants can apply online by logging on to www.mandela.ac.za/Studv-at-Mandela
- Ensure that you meet the minimum Applicant Score (AS) and subject requirements before submitting your completed application form and orting documentation.
- No application fee is required for South African citizens, but there is an application fee for International Students. Remember to include your cell number on your form, as we will be
- sending you your application status and other important information via this number (Please do not include +27 or any spacing when you enter your cell number); Please note that certain qualifications have additional selection
- processes, for example a portfolio of evidence, interview or fitness/medical tests. Your application can only be finalised, as soon as these additional selection processes have been completed.

ou need to submit the following:

- A certified copy of your **identity document** (ID document compulsory for SA Citizens). You may also provide your ID number or serial number that appears on your birth certificate.
- A certified copy of your latest school results (grade 11 final, or ember results, or final school leaving certificate). No grade 12 March results. Declaration by your parent/legal guardian/surety form
- (form downloaded from our website), A certified copy of your parent/legal guardian/surety's identity

nportant documentation

- document (ID); Completed **disability assessments form** (if applicable).
- Proof of your current residential/home or postal address; NB: Please note that your student number/identity number must clearly be indicated on all documentation submitted. Your application form cannot be processed if you do not include all supporting documentation with your

National Benchmark Test (NBT)

Generally, most programmes offered at Nelson Mandela University do not require applicants to write the National Benchmark Test (NBT). However, there are a very small number of qualifications which require NBT results. If under the requirements of the programme you are interested in, states that NBT results are required, please consult the NBT website (https://www.nbt.ac.za) to book a test date. Applicants interested in programmes requiring NBT results are encouraged to book and write these tests as early as possible. A reference letter from the University is not required.

How to calculate your Applicant Score (AS)

- First look-up the Applicant Score (AS) for the qualification you are applying for – also note any required subjects.
- Your Applicant Score (AS) will be different if you took Mathematics Mathematical Literacy or Technical Mathematics at school. Your Applicant Score (AS) is calculated using six subjects. Please note
- that Life Orientation (LO) is excluded. Write down your Grade 12 subjects and the most recent percentage (%)
- obtained in each subject (**NO** Gr 12 March results). You MUST include the results for the following three compulsory subjects:
- 1) Home language; 2) 1st Add. Language; and 3) Maths; or Maths Lit; or For applicants with **seven** Grade 12 NSC subjects, the AS is calculated by adding the percentages for the six 20-credit subjects (Note that the Life
- For those applicants taking **eight or more** subjects the AS is calculated as follows: add the percentages obtained for the three compulsory/ fundamental subjects (the two languages and Mathematics or Nathematical Literacy, or Technical Mathematics.), plus the percentage(s) for any subject(s) required by the programme, together with the percentage(s) for the next best/highest subject(s), to a maximum of six
- In addition, for those applicants from quintile 1 to 3 schools who attain 50% or higher for Life Orientation, 7 points are added to their score out of 600 to arrive at their final AS. Compare your AS & subject requirements to the minimum needed for
- the qualification you want to apply for. If your Applicant Score (AS) & subject requirements are below the
- minimum required, you will need to consider another qualification for which you do qualify. * All South African **public** ordinary schools are categorised into five groups, called

quintiles. Quintiles 1 to 3 are non-fee paying schools, while Quintiles 4 & 5 are fee paying schools.
